Why outsource your human resources (HR) functions to WorkPlacePLUS?

- + Our services are flexible, cost-effective and targeted to your needs
- + Our consultants have the specialised skills and capacity required for each project or task
- + Our consultants are discreet, unbiased, and independent of your organisation's internal issues

WorkPlacePLUS can partner with you to:

- + Develop strategies and processes to prevent and respond to workplace issues
- + Comply with various employment regulations and mitigate risk
- + Deliver practical business outcomes

Whether your needs are short or long term, our experienced HR consultants will add value to your team.

WorkPlacePLUS provides support, assistance and resources for a broad range of workplace matters, e.g.:

- + serious incidents e.g. bullying & harassment
- + developing or updating policies & contracts
- + difficult discussions & internal communications
- + staff performance & engagement
- + change management e.g. right sizing
- + monitoring and improving the work culture

+ **WorkPlacePLUS** also offers a fully integrated Employee Assistance Program and additional tools for workplace wellness.
